2023 Newsletter

IT'S SPRING FLING TIME!!!

Spring is just around the corner. As I write this newsletter, it is less than a month away, technically. Weather wise, I think we have already moved into spring! And there is no better time, in my opinion, to celebrate reuniting with friends and acquaintances than spring. So with that in mind, our Spring Flings this year will be Friday, April 14th and Friday, May 12th. So mark your calendars and please plan to attend. (More info on page 2.)

Each year it gets more difficult to find churches who are willing and able to host our Spring Flings. So to that end, the Executive Committee has been considering having 1 collective Spring Fling at Camp instead of using churches, similar to the Fall Festival of Music, with Camp providing a light lunch. We would love your input. Please pray about and consider what you would like to do. We will have a questionnaire at the Spring Flings and Fall Festival of Music. You can let us know at that time or you may also contact any of the District Representatives listed on the back page of this newsletter and let them know.

As we stated last year, THERE ARE NO MEMBERSHIP DUES, the costs for Spring Fling and Fall Festival of Music will stay the same, and we will continue putting out containers for donations at each Spring Fling and the Fall Festival of Music to help defray the costs of having these get-togethers and to raise funds to distribute for missions work. The last several years we have not been able to support any missions like we have in the past. We feel now like we are gaining momentum and would like to be able to start supporting missions again.

We need your help!!! We are trying to figure out how effective we are at getting our information to you. Please let us know you received this newsletter by responding to Carolyn Garlock, 335 Wesley Dr, Apt 617; Mechanicsburg, PA; 17055. You may also email, phone, or text her at (717)319-8800 / cmgarlock7@gmail.com. We really appreciate your feedback.

And lastly, for those of you who are tech savvy, REGISTRATION FOR ADULT FELLOWSHIP CAMP IS NOW ON-LINE! You can still register through the mail with the regular registration form. If you would like to sign up on line, there are instructions on page 3 along with info about camp. Also, the district reps (listed on pg. 4) are available to help you, so please feel free to call upon them.

JUST A REMINDER - We are no longer able to save registrations, nor honor tickets unless payment is received before published cutoff and we are not able to give any refunds.

If you need more copies of this newsletter, please feel free to make as many copies as you need.

The Executive Committee looks forward to seeing each and everyone of you at one or both of these events. Please read the inside information carefully so you don't miss anything! And don't forget to bring a friend!
